

New Art-Historical Resource on the Web

Liliana Milkova, Yale University Art Gallery

New publication and resource by the Yale University Art Gallery: "The Gallery Guide Guide".

This new publication, available for free digitally and in print, documents the core values as well as the operational nuts and bolts of the Yale University Art Gallery's renowned Gallery Guide Program. Authored by former co-leaders of the program Sydney Skelton Simon and Molleen Theodore, the Gallery Guide Guide is intended as a resource for museum and academic colleagues who are looking to start or refine student-guide programs or seeking inspiration for engagement strategies more generally.

The Guide can be downloaded for free at https://artgallery.yale.edu/sites/default/files/2024-04/2024_Gallery%20Guide%20Guide.pdf

To request a free print copy, please contact sydney.simon@yale.edu and molleen.theodore@yale.edu.

Because this publication is offered in the spirit of encouraging dialogue and promoting greater communication among museum professionals, feedback is most welcome.
