DocTalks team

On top of regular DocTalks sessions, the organizers are excited to continue DocTalks x MoMA series with The Emilio Ambasz Institute for the third year!

For regular DocTalks sessions, the organizers welcome any topic within the broad fields of architectural history and its related disciplines. You may also propose to host a complete session, submitting a proposal comprising two presentations and the names of two respondents.

For DocTalks x MoMA, the organizers are looking for presentation proposals dedicated to research on the relationship between the built and natural environment. The organizers are especially interested in proposals around environmental justice and the environmental histories of marginalized places and groups.

Send your proposals (an abstract of no more than 300 words and a short bio in a single PDF file) to doctalks.contact@gmail.com

Please indicate if you are applying for DocTalks or DocTalks x MoMA in the subject line of your email.
