

## Post-Doc (100%) Research & Teaching Associate, Berlin

Technische Universität Berlin, Feb 1, 2025–Jan 31, 2030

Application deadline: Nov 1, 2024

Isabelle Dolezalek

Research and teaching associate (postdoc, 100%, part-time employment may be possible).

Pre-Modern / Digital Art History.

Salary grade E 13 TV-L Berliner Hochschulen.

Fakultät I - Institut für Kunstwissenschaft und Historische Urbanistik / Fachgebiet Kunstgeschichte der Vormoderne

### Tasks:

- research and teaching, especially in the arts of the early modern period;
- contributing to the design and supervision of a lab for digital research and teaching projects;
- developing your own research project with the goal of gaining further qualifications for a university career;
- teaching courses in the interdisciplinary bachelor's program in Culture and Technology and the master's program in art history;
- participating in the organizational and administrative tasks of the chair and institute

### Requirements:

- higher university degree (Master, Diplom or equivalent) and doctorate in art history with a specialization in the pre-modern period;
- knowledge in the field of digital humanities;
- the ability to teach in German and English – or the willingness to acquire the corresponding language skills – is a requirement

### Desirable qualifications and skills:

- research interests in the early modern period;
- openness to interdisciplinary and transcultural themes;
- ability to work in a team;
- teaching experience

### How to apply:

Further information on the position is available from Professor Dr. Isabelle Dolezalek (chair secretary: Ms. Stahn: [j.stahn@tu-berlin.de](mailto:j.stahn@tu-berlin.de)). Please do not hesitate to get in touch!

Submit your application with the usual documents (cover letter including description of research interests and relevant experiences, a current CV, academic transcripts, a list of publications and

contact details of two referees) merged in one PDF file and indicating the reference number (I-523/24) to [j.stahn@tu-berlin.de](mailto:j.stahn@tu-berlin.de).
