

Call for Contributors: Aesth-L mailing list

Filippo Contesi, University of Cagliari

Dear all

In collaboration with the International Association for Aesthetics and the University of Genoa, we recently launched a new interdisciplinary and international mailing list where scholars and artists working on aesthetics and the arts from all disciplines and approaches can share their aesthetic-s/art news and initiatives with each other. The new mailing list is called 'Aesth-L' and already has over 550 subscribers from different countries and academic disciplines.

We invite you, and any other students and scholars you think might be interested, to join it for free here:

<https://liste.unige.it/wws/info/aesth-l>

Once you join, you will be able to send and receive messages to the list. The list is moderated and publicly archived. Please consult the homepage of the list for posting rules.

Yours

Filippo Contesi (on behalf of the Aesth-L Team)
