

## Midwest Asian Studies Conference (East Lansing, 25–27 Oct 13)

Michigan State University (East Lansing, MI), Oct 25–27, 2013

Deadline: Jun 15, 2013

Ethan Segal

Michigan State University is pleased to host the annual Midwest Conference on Asian Affairs at our East Lansing campus on October 25-27, 2013. MCAA is the Midwestern affiliate of the Association for Asian Studies and the largest such regional meeting.

The Program Committee welcomes proposals from art historians for panels, roundtables or individual paper presentations that address the artistic traditions and literary/visual cultures of Asia. Panels and roundtables that take an innovative approach to format (interdisciplinary, pedagogical, creative, mixed media) are welcome, as are traditionally organized academic panels. We also encourage roundtables that address the state of the field.

Submissions of proposals are now being accepted on the conference website.
