APS (Association of Print Scholars) - sponsored panel at CAA 115th Annual Conference.

The Association of Print Scholars (APS) invites thematic proposals for its sponsored panel at the 2027 College Art Association (CAA) Annual Conference to be held in New York, NY, 03-06 February.

The APS-sponsored panel may be related to any period, theme, or aspect of print scholarship. We encourage proposals that transcend chronological or geographic boundaries, as well as those that engage current theoretical interests in materialism, archival theory, bibliographic studies, history of ideas, or social history, including feminisms and critical race studies.

Co-chaired proposals are welcome. Once the theme and chair of the panel are selected, the panel will solicit contributors through CAA's open call. Chair or co-chairs must be members in good standing of APS and CAA.

If you are interested in chairing a panel, please submit a title, 250-word abstract, and 2 page CV by 20 April 2026 to caacoordinator@printscholars.org.

Please note:
The College Art Association's Annual Conference is scheduled to take place in New York, however there is the possibility of a hybrid virtual component.
