

China and World Art

Beijing, Jul 7–10, 2011

Deadline: Dec 15, 2010

Ralph Croizier, University of Victoria

A subgroup within the World History Association, "World History in Art", is seeking one or two more proposals for papers dealing with China in the context of world art. Anyone interested should contact Ralph Croizier immediately as the deadline for proposals is soon.

The attendees will be mainly historians, but the WHA has a strong tradition of interdisciplinary collaboration.
