"CASCA" – Journal of Social Science, Culture and Arts

Call for contributions

Journal of Social Science, Culture and Arts

the interdisciplinary Journal of Social Science, Culture and Arts (CASCA) enables authors to publish papers in various areas of social sciences, humanities, culture and art. The aim of the journal is to cover a wide spectrum of themes and critical analyses cutting across numerous theoretical and disciplinary boundaries related to critical theory, literary theory, language and literature, history of art, postcolonial theory, politics, cultural studies, history of thought, etc.
We are interested in publishing scientific and expert papers, book reviews, exhibition reviews, web portals.
All the submitted papers are to undergo an adequate double blind peer review.
It is required of all the potential authors to prepare their papers in accordance with our Instructions to Authors and send them to the following email address of the journal: journal@casca.org.rs. For detailed information visit our website http://www.journal.casca.org.rs/eng/ or send us an e-mail.

Final deadline for the submission of papers is July 1, 2014
